VIA ECF Hon. Lorna G. Schofield United States District Judge Southern District of New York 500 Pearl Street New York, New York 10007

Re: Haneo, et al. v. Parts Authority, LLC, et. al. 19-cv-10720

Dear Judge Schofield:

We write with the consent of plaintiffs' counsel to request a two business day adjournment of the time for the parties to submit a stipulation or status report regarding "an orderly process by which the parties can determine which putative class members are subject to compulsory arbitration without the risk of contact between Defendant Northeast Logistics, Inc., and putative class members that potentially interferes with their rights as putative class members, including by providing information that is incomplete, misleading, confusing and not impartial." A submission was due today and we respectfully request an adjournment to January 14.

The parties have made considerable progress towards reaching agreement but have a few remaining issues to resolve. No prior request for an extension has been made.

Respectfully submitted,

Andrew P. Marks

cc: Counsel of Record via ECF
